All monies in full for any booking made less 12 weeks prior to commencement will be
due in the event of cancellation.

1. Mrs. G.S. Martin regrets she cannot accept any liability or pay any
compensation where the performance of our contractual obligation is prevented or
affected by reason of circumstances beyond our control. Such circumstances
would include any event which we or the supplier of the services could not
foresee or avoid as, for example, civil strife, natural disaster, industrial dispute,
fire, adverse weather conditions, breakdown and all similar circumstances beyond
our control.
2. All baggage and personal possessions remain at all times and in all
circumstances at your risk. You are strongly advised to have full insurance to

cover all such items for loss or theft in all circumstances.

3. Mrs. G.S. Martin cannot be held responsible for any accident or injury howsoever caused to any occupier or visitor to the property. All such persons are advised to take care that such injury is not caused by equipment. It is to be noted that proper precautions should be taken in relation to the marble and tiled floors which are in common use in Spain and it should be ensured that these are kept dry at all times to prevent accidents. All members of the party are advised to take full medical and accident insurance to cover all eventualities and this Contract is accepted by the owners on that basis.
4. Mrs. G.S. Martin has instructed the Manager to check that persons named in the booking contract are those actually occupying the property. We regret having to reserve this right but, unfortunately, the occupation of the property in the past has been abused and the owners have a legal obligation over the pool and communal facilities.
5. Cots, high chairs and stair gates can be provided at the current hire charge.
